

# Counterpart Store Documentation

## Adding Section

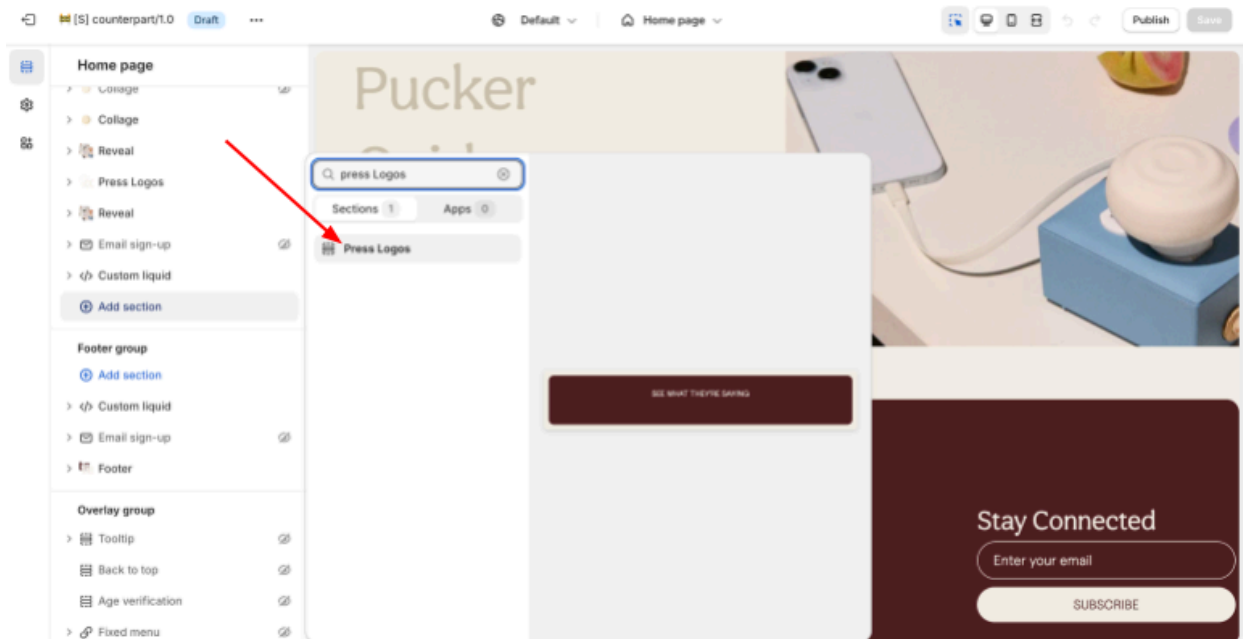

1. Log in to the store.
2. On the admin panel, navigate to the **Online Store** and select **Themes**.
3. Click **Customize**.

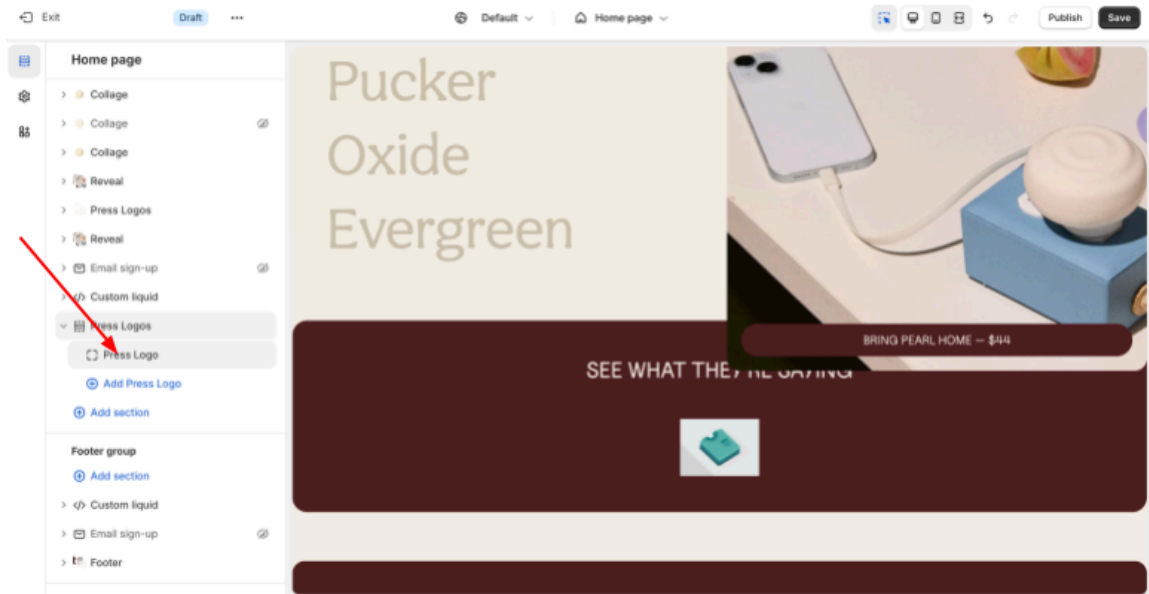

4. On the **Home page**, navigate to the **Template Editor** and click on **Add a Section**.

5. After clicking on **Add a Section**, a popup will appear where you can search for your section. Click on the section you searched for to **add** it.

6. The section also contains individual blocks, such as **Press Logo**, which can be customized to meet your specific requirements.

7. Once satisfied, click the **Save** button to apply the changes to your live store.
