Link settings for Retail and wholesale Store

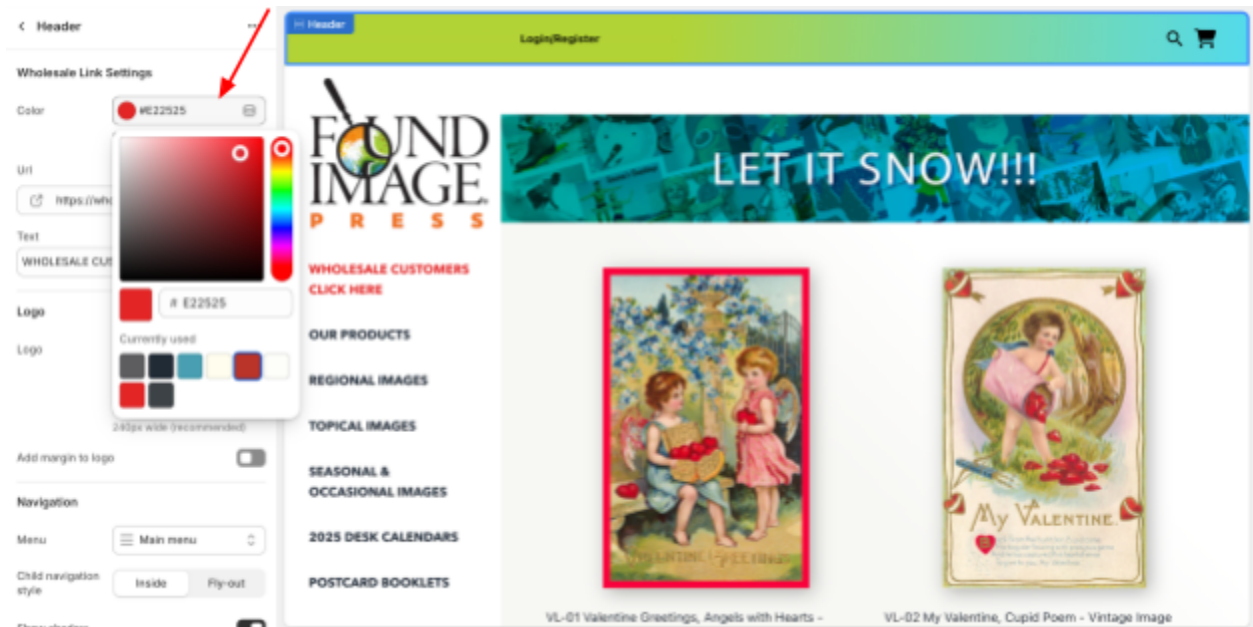

Link's color

Steps

1. Log in to the store
2. On the admin panel, navigate to **Theme**,
3. Select **Customize**,
4. Go to **Theme Editor**.
5. In the Theme Editor, click on the **Header** section.

6. Click on the **color** option to choose a color. You can either enter a hex code or use the color picker.

7. Then **save**.
